PEOPLE POWER

M E M B E R S S H O W

April 29 - June 1, 2024

Theme: "PEOPLE"

How much is the subject matter "people" part of, or the whole part of your artwork? How much would you like to experiment with the subject of people if you don't already?

Here is your chance. From realism to abstract, challenge yourself to incorporate a figure(s) or a portrait, into your composition or as a stand alone subject. Seascapes, landscapes, still life, cityscapes or a single figure in a room like Edward Hopper's work could be an inspiration for you. Portions of a human figure such as hands or torsos speak volumes when it comes to communicating your innermost thoughts or as simply a visual interpretation of the subject. So, figures in action, figures in repose, parts of figures, heads or groups of figures - Let the creativity begin!
