"Winged & Windblown"

MEMBER EXHIBITION

January 4 - January 30, 2027

Theme:

Artists are invited to interpret the theme: **Winged & Windblown** in creative and personal ways, whether through subjects that take flight naturally or mechanically… i.e. birds and butterflies, airplanes & rockets or as objects bought to life by the blowing breezes… i.e. leaves, flags, clouds or curtains. The possibilities are as limitless as the imagination, and as vast as the eye can see. Participating artists will invite viewers to experience the beauty, energy and poetry of the world in motion in space through air.
